## SOME THINGS TO CONSIDER WHEN WRITING A RESUME

Your resume is your introduction to potential employers. It is a summary of your qualifications, outlining your skills, abilities, and experience. The goal of a resume is to tell an employer why he or she should hire you.

**Be honest** – Don't list skills or experience you don't have.

**Be brief** – Employers are looking for a summary of your qualifications, not a biography.

**Be relevant** – Limit your resume to what might be of interest to potential employers.

**Proofread** – Make sure your resume has no spelling or grammatical mistakes.
